## **Attend October’s webinar to learn more about Progress Report Writing.**

### **Next Webinar: Streamlining Special Education Progress Report Writing- 10/24/24**

With progress reports just around the corner, it's time to ensure your documentation is accurate, clear, and truly reflective of each student's growth. Writing meaningful progress reports is essential in demonstrating how students are advancing toward their IEP goals while meeting legal requirements and timelines. This webinar is ideal for special education teachers, case managers, and support staff involved in the IEP process and student reporting, especially as progress report deadlines approach.

Participants will receive a suggested:

## **TIP OF THE MONTH:**

Take time for yourself with Self Care Strategies:

- Do not take work home
- Plan ahead (Backwards planning)
- Lean on your colleagues
- Step away from your computer and take a walk
- Make time for your family

*"You can't really be present for the people in your life if you aren't taking care of yourself." -Kerry Washington*
